### **Statement of Boarding Principles and Practice**

- To provide a happy and caring environment for the children in our care
- To help the children become more confident and independent whilst learning to live and work with others
- To respect other people and their views
- To respect school property, and the property and possessions of others
- To provide a platform on which to build for those children who will continue to board at their senior schools
- To provide an environment that the children will derive benefit from in academic areas, sport, art and music
- To encourage the development of lasting friendships and relationships
- To offer equal opportunities to all children irrespective of difference, including, amongst others, such differences as disability, race, religion, special educational need, linguistic background, academic or sporting ability
